RimRiser
Matt Stiller
315 N. Grand BLVD, suite 100
Vancouver, WA 98661

RE: RIMRISER Product Acceptance

Dear Mr. Stiller:

RimRiser products have been successfully used on at least two City of Camas Capital Transportation Projects over the last few years. These include *The Larkspur Street Improvements* and *The Lake Road and NE Everett Street Roundabout Improvements*. RimRiser is an acceptable product that may be used on City of Camas Capital Improvement projects until further notice.

Sincerely,

James Hodges
Capital Projects Manager
