Re: RTI New Product Evaluation Tracking #21-3190
"RimRiser"

Dear Mr. Paulsen:

Thank you for submitting your product for evaluation. The Texas Department of Transportation's (TxDOT) Bridge Division (BRG) has evaluated the "RimRiser" and approves of its use by TXDOT Districts and Contractors.

Since the screws will be encased in grout in their permanent condition, we are willing to approve this product with no restrictions.

Thank you for contacting the Texas Department of Transportation. If you have further questions, please contact us at 512-416-4738.

Sincerely,

Martin Dassi
Research Project Manager, RTI
